

THE COSMIC UMH ENERGIZER FOR YOUR PERSONAL PROTECTION

Technical data:

Diameter:	2,1 cm	3 cm	4,5 cm	7 cm
Effective radius:	1 device	localized	1 m	1,6 m
Weight:	3 g	7 g	20 g	44 g
Thickness/Material:	5 mm/ quartz glass (silicon)			

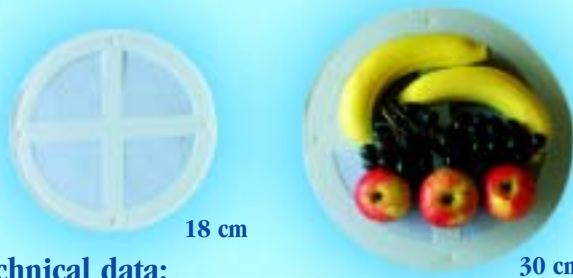

Applications:

- To protect the wearer from electrosmog, mobile phone radiation and similar, they should wear the COSMIC UMH ENERGIZER on a chain on a level with the thymus gland or solar plexus.
- A mobile phone and other appliances which emit a lot of radiation such as DECT cordless telephones, WLAN, Bluetooth, etc. should be neutralized directly at the source with the UMH mobile phone chip (2.1 cm). The mains supply in the home can also be harmonized by placing a 3 cm disc on the master switch in the fuse box
- To combat any sort of pain and to activate the chakras, the disc is placed directly on the affected part of the body, and could be stuck into position with a plaster

Spectacular test results:

Series of tests carried out by doctors and scientists using the "Prognosis-Diagnosis" system, the "Immedis-Voll Expert System" and the "FKM procedure" have verified the excellent transformation of low and high-frequency radiation fields into positive energy fields as well as an impressive recharging and harmonization of all meridians in test persons.

AMBIENT NEUTRALISATION WITH THE COSMIC UMH ENERGIZER

Technical data:

Diameter:	18 cm	30 cm
Effective radius:	7 m	30 m
Weight:	320 g	770 g
Thickness/Material:	5 mm/ silicon, special glass	

Applications:

- To neutralize computers, mobile phone transmitters, cordless telephones, geopathic zones and all types of environmental influences, the large COSMIC UMH ENERGIZER should be placed in the middle of the house or flat.
- To neutralize and energize foodstuffs, they should be placed on top of the accumulator for at least 3 hours.
- To optimize your bedroom, workplace or car journeys, when you're suffering from a loss of productivity, or need to relieve pain, you can sit or lie directly on the UMH disc (18 cm). Studies have shown that this harmonizes all meridians.
- In ponds and pools, the COSMIC UMH ENERGIZER reduces the formation of algae.

The cosmic UMH energizer

from 2,1 to 30 cm in diameter

A sensational way of gaining more energy!

Tested and recommended by many doctors and scientists

Combats electrosmog, high-frequency irradiation, geopathic zones and radioactivity; alleviates sleeping disorders, pain, loss of productivity, tiredness, etc.

A BRIEF OVERVIEW:

THE UMH DISCS GIVE PROTECTION AGAINST:

- **Electrosmog**, caused by high-frequency radiation fields, **UMTS transmitting stations, WLAN, Bluetooth**, radar, TV, radio and other transmitters, air traffic, etc.
- **Mobile phones**, cordless phones, mobile phone transmitters
- **Electromagnetic interference fields** around computers, printers, electronic equipment, etc.
- **Geopathic zones, radioactivity**

THEY CAN ALSO BE USED TO:

- Neutralize and recharge foodstuffs and water

AND TO ALLEVIATE:

- **Health problems from head to toe**
- All kinds of **pain** all over the body. Pain arises in connection with blockades, energy congestion, irritated nerves, inflammations and disorganization in united cell structures.
- **Back, vein and circulation problems**
- **Hernias, abdominal and gynaecological complaints, lymphatic congestion**
- **Sleeping disorders**, which every second person noticeably suffers from.
- **A lack of energy, loss of productivity, tiredness**
- **Concentration problems and immunodeficiencies**
- **Depression, melancholy, grief and fears**

The COSMIC UMH ENERGIZER thrives on skin contact, having an optimal effect on all the problems listed above as well as problems which have not been mentioned. The energizer opens up the body's own energy fields, enlarging and strongly enhancing them. This leads to improved circulation, detoxification, harmonization, vitalization and regeneration of the affected zones.

MATERIAL

The COSMIC UMH ENERGIZER is made out of silicon (Si) extracted from pure quartz. In terms of its energy levels, the silicon has very important and unusual properties as it has its origins in rock crystal. This precious mineral is renowned for transforming cosmic energies at an optimum.

Silicon has numerous tasks to perform in the human organism and works wonders for the immune system, skin, connective tissue, blood vessels, hair and nails and as a radical scavenger. Silicic acid (Si) also affects the absorption of light in plants. Over the last 50 years, unfortunately, both have decreased radically. This has led to a massive reduction in the production of protein in plants - and, consequently, in our food - and even deformities may arise as a result. The results are degenerative processes in the plant and animal kingdom and illnesses in humans. Such malfunctions can also be counteracted by wearing the silicon disc.

NUMBER, MASS, FORM, COLOUR AND SYMBOL

In creation, everything consists of energy and waves. Observing the cosmic laws associated with the principles listed above which automatically come into play is a fundamental factor contributing to the quality and high success rate of this UMH product in all fields.

PROCEDURE AND EFFECTS

Thanks to a very special energy-based method of treating the disc which the COSMIC UMH ENERGIZER is made out of, it is turned into an excellent accumulator of cosmic energy beyond compare. The potent forces stored within make it possible to dissolve blockades in body, spirit and soul, to alleviate pain and to restore cell plasma to its original

state of harmony. The organism is revitalized, not to say completely regenerated. And why? Because negative frequencies caused by harmful environmental influences, symptoms of illnesses, mental disorders and emotional shocks are absorbed by the silicon disc, sounded out, ordered and then radiated to be reabsorbed by our bodies with a perfect, i.e. beneficial, structure.

CONCLUSION

Unlike other devices, the disc does not reflect harmful frequencies but absorbs them. Then they are radiated back into our bodies as a transformed, positive substance corresponding to cosmic principles of organization. This causes the cells to vibrate in their normal rhythm again.

USERS OF THE UMH DISC ATTEST:

Allergies, tiredness, unease, a lack of concentration, sleeping disorders and all types of pain disappear. Users also notice that their state of mind improves and their nervous and immune systems are boosted. They even perceive a positive effect on their biorhythms and hormonal production.

GENERAL COMMENTS

- The energizing properties of the disc are permanent.
- The material is heat-proof and acid-proof and so it cannot be weakened or changed by negative influences or fields.
- Mobile phones, cordless phones and computers, etc. should be fitted with their own UMH ENERGIZER to guarantee that their harmful radiation is cancelled out.
- There is no need to neutralize the disc periodically under running water.
